

Terms and Conditions—IRA, Health Savings Account (HSA), and Defined Contribution Retirement Plan

"Fidelity" as used herein refers collectively to Fidelity Brokerage Services LLC, Fidelity Distributors Company LLC, and National Financial Services LLC. "You" refers to the account owner or authorized individual.

You affirm that the beneficiary information provided replaces any prior beneficiary information that may be on record for the indicated account(s).

You acknowledge that, if you check "per stirpes," any share otherwise payable to a beneficiary shall instead be paid to that beneficiary's surviving descendants by right of representation if the original beneficiary does not survive the account owner. "Per stirpes" creates a category of beneficiaries (for example, the children of a beneficiary), and therefore may end up including individuals not yet born or adopted.

You acknowledge that listing beneficiaries by name does NOT create a category of beneficiaries, and that if you later want to include other beneficiaries, you will need to submit a new request to update your beneficiary(ies).

You agree that Fidelity has no obligation to locate or notify any beneficiary or to independently verify any information submitted by any person claiming an interest in your account.

You acknowledge that if you do not provide percentages, the account will be divided equally among primary or contingent beneficiaries, as applicable.

You acknowledge that if you do not properly name a beneficiary, or no beneficiary survives you, your beneficiary will be your spouse or, if you are not married, your estate, in accordance with the rules of succession in the applicable Fidelity IRA or Fidelity HSA Custodial Agreement, or the Defined Contribution Retirement Plan Document. (Not applicable for annuities.)

You agree that if your beneficiary allocation totals at least 99%, but is less than 100% (e.g., three named beneficiaries are each assigned a 33% interest in the account), Fidelity will assign the unallocated remainder to the first named beneficiary. (For annuities, see product prospectus.)

You agree that when your assets are distributed to your beneficiaries, fractional shares that cannot be distributed in accordance with your instructions will instead be given to the beneficiary receiving the largest percentage of the account's assets or, if each beneficiary is receiving an equal percentage, to the last paid beneficiary. (Not applicable for annuities.)

You acknowledge that Fidelity has no responsibility for the application of assets distributed to beneficiaries.

For Inherited IRA accounts, you also acknowledge that if you do not properly name a beneficiary, or no beneficiary survives you, the account will go to your estate as provided in the applicable Fidelity IRA Custodial Agreement.

For Defined Contribution Retirement Plan accounts, you acknowledge that, if you are married and you designate anyone other than your spouse as the beneficiary, your designation cannot be accepted without your spouse's notarized signature.
